Results of the style.css W3C CSS validation (CSS level 3 - SVG)

Congratulations. No errors found.

This document is valid in accordance with the [CSS level 3](#) recommendation - [SVG](#)

To show your readers your concern for interoperability when creating this web page, you can view this icon on all valid pages. Here's the XHTML fragment that you can use to add this icon to your web page:

```
p
  https://jigsaw.w3.org/css-validator/check/refer
  "width:88px;height:31px"
  https://jigsaw.w3.org/css-validator/images/vcss
  alt-- CSS Valide--" /)
A/A
(p)/p
```

```
p
  https://jigsaw.w3.org/css-validator/check/refer
  "width:88px;height:31px"
  src-- https://jigsaw.w3.org/css-validator/images/vcss-blue"
  alt-- CSS Valide--" /)
A/A
(p)/p
```

(close the img tag with .pi. instead of . . . if you are using HTML.
